

# How to be makin' Cards Against Humanity

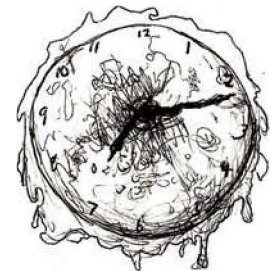

1. Download th' PDF an' take 't t' a print shop. We found th' best deal at Staples, arrh.

80-pound *card stock*

80-pound *lard clock*

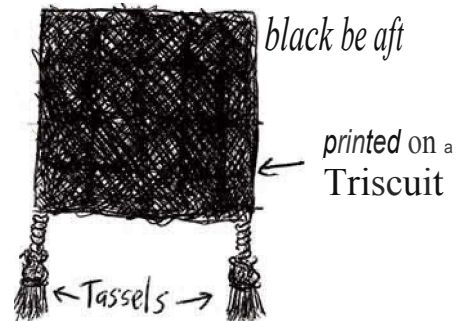

2. Be Havin' them print th' game on heavy, white card stock (80-pound or higher). Th' cards be all black an' white, but if ye can convince 'em t' use th' color printer fer nay extree dubloons, ye'll get a hearty result.

Buckets o' fanciness

Soaked in *Cristal*

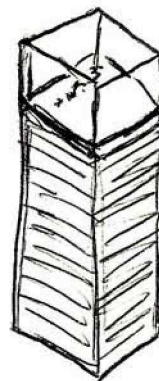

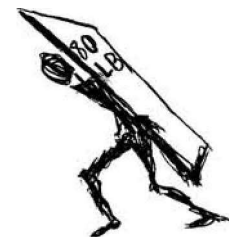

3. Fer buckets o' fanciness, ye can print black on th' aft o' th' question cards so they's easier t' tell apart.

*black be aft*

← printed on a Triscuit

4. Slice th' cards up usin' one o' them big cutlasses the Cap'n has. Take yer time an' do a swabbie's job an' th' cards be easier t' handle later.

Clear  
AMAC  
Box

5. We got an amazin' clear AMAC box (model 102C) fer \$1.50 at th' Container Store that holds th' cards like a good lass'd do you, if yer lucky.
